

2nd Level Delivery & Pick up Information for Aiea Copy Center

Under 7 feet and under 7000 lbs.

No restrictions. Allowed to park on deck .

Easiest to use loading area on Diamondhead side of McDonalds.

Larger Trucks

Loading zone to the left as you enter 2nd level.

Loading zone closed from 11-1(*) on weekdays and 11-2(*) on sat.

*If you are coming soon after the closed time, we suggest you call security first at 927-9186 to make sure the loading zone is free.

Other Options (trucks under 12 feet)

If you can navigate the turn, you can turn left upon entering the 2nd level and park next to the wall parallel to Aiea Hts. Drive

Or, you can come up the backway from the 1st level around L&L for an easier parking parallel to Aiea HTs Drive

Other Options (trucks over 12 feet)

You can drive up the back side and park just before the overhang and deliver from there. Slight incline so may be difficult if using a manual pallet jack for a heavy load. One side of the speed bump has been removed to accommodate a pallet delivery.

Feel free to call the Security for the shopping center if you have any questions at 927-9186
